Ralph Allen School

Respect • Teamwork • Personal Best

Dear Parent/Carer,

Coronavirus Update

A further update this week. In addition to the whole of year 8 and a number of year 12s currently self-isolating, we have just had to close our year 10 bubble. This action was taken following a positive lateral flow test. A confirmation PCR test has been taken and we are awaiting results.

These measures were put in place following a discussion with Public Health England. All these decisions are made from a safety point of view and to support everyone. Other year groups are fine to attend school and are separated in their own bubbles.

I am aware that other schools are also isolating students and this variant is growing across BANEs. This swift action is taken to reduce further possible transmission and possible disruption to education.

If whole year groups have to self-isolate, they will receive online lessons via Microsoft Teams.

I hope we all stay safe and well.

With kind regards

A handwritten signature in black ink, appearing to read 'Andy Greenhough'.
