Respect • Teamwork • Personal Best

Dear Parent/Carer,

Current situation

Just to keep you updated with the current situation in school. Year 12's returned today and year 10's yesterday. However, we have had a new case in year 10, which happened during their isolation period and a case today in year 7.

This has resulted in the following self-isolations:

Year 10 – Fourteen students are having to self-isolate

Year 7 – One whole learning group and three additional students are having to self-isolate

This action is to reduce possible further spreading. Our risk assessments remain in place and we will continue to support students in school or online.

Thank you to all students who have reacted positively to this news even at the end of a long year. Gavin Williamson is set to announce some decisions for next year which are hopefully going to make life easier for us all.

I hope we all stay safe at this time.

With kind regards
