

RAS DANCE AND GYM SHOW 2021

What is the dance show?

For anyone that hasn't participated in a school dance show before, it is a biannual performance where you can audition your own dances or just sign up to the dances choreographed by the prefects. Everyone who goes to dance club after school will already be in a choreographed dance.

Auditions

The theme for this years show is musicals, so prior to next year we were thinking that you could start to come up with ideas or practicing with your friends over zoom or other social media.

The auditions for your dances will be in october, these could be solos, duets, trios or groups. If struggling for ideas for a song there is a list of musicals that you can refer to. Dances need to be 2.30 minutes long however, you only need 30 seconds done for the audition.

Large group dances

The songs that the prefects will be using for the larger group dances are:

Annie - Hard Knock Life

Mamma Mia - Money Money/Honey Honey

Frozen 2 - Into the Unknown

Hairspray - You can't stop the beat

Greatest Showman - Come Alive

Newsies - Seize the day

High school musical - Mashup

So please could you not pick any of these songs.

Gym vaulting

There will also be a gym vaulting club which anyone can attend, at this club you will learn a routine and perform it in the show.

You can also audition your own gym routine for the show.

Backstage help

Finally if anyone would like to help backstage with things like lighting, photography, music editing, props, etc, then please contact Mrs Tanner.
