

Science Club Year 7

Dear Parents/Carers,

It was awesome to run Science Club with extraordinary levels of interest from our Year 7's. We had record numbers attending.

We would like to continue to run **Science Club on Tuesdays in Z2, 3.15pm-4.15pm**, however due to the high numbers attending, we will be making some adjustments to the original plans. This is to ensure that students get the most out of attending the club and all students have the opportunity to use equipment and take part in the practical activities that are on offer.

Moving forward, students who would like to attend Science Club are asked to attend one block on the following dates; these are organized by their learning group. Block 1 and 2 are both 5 week blocks and cover the same content and practical activities. If students are unable to attend all dates in their allocated block, they are still very welcome to attend the dates that they are able.

Block	Learning group	Dates to attend
1	7LG1, 7LG2, 7LG3, 7LG4, 7LG5	Tuesday 12 th October Tuesday 19 th October Tuesday 2 nd November Tuesday 9 th November Tuesday 16 th November
2	7LG6, 7LG7, 7LG8	Tuesday 7 th December Tuesday 14 th December Tuesday 11 th January Tuesday 18 th January Tuesday 25 th January

From Term 3, we will review the logistics of Science Club and let you know of our plans for the rest of the year.

If you have any questions, then please contact your son/daughter's class teacher in the first instance, or myself using the following email address: ras-a.walsh@ralphallenschool.com.

I am so excited to be working with the scientists of the future!

Yours faithfully,

Miss A Walsh

Teacher of Science
