EFFECTIVE REVISION TECHNIQUES

Tried and tested

- The most proven and affective technique to deepen learning is to share your understanding.
 1. It **consolidates** your ideas
 2. **Irons out** vague areas and incorrect understanding – you hear yourself speak !
 3. You practise using **keywords**
 4. Makes you link up **different aspects**
 5. Fun and **sociable**
 6. **2** for the price of 1...?
 7. You get a **reward** at the end ?

EFFECTIVE REVISION TECHNIQUES

3) 7 into 1

- Take your exercise book and revision guide
- Write notes on the whole topic
- Remember to chunk the topic up and to work for no more than 1 hour.
- Go back later that day and condense your notes into **½ the size**
- Then tomorrow ½ the size again
- And later ½ again....
