Ralph Allen School

Respect • Teamwork • Personal Best

Dear year 7 & 8 Parents and Carers

Optional Homework Challenges

Thank you for all the support and encouragement you have already given your child and our staff since lockdown 3 started.

As we communicated in January, we do not want our students to spend all day and evening doing home learning. We encourage our students to go outside, do some exercise and maintain contact with their friends. However, we also want to provide opportunities for our students to maintain good study habits and challenge themselves further. We have attached a fun, **optional challenge menu** for our year 7 & 8 students to complete if they are looking for extra challenges and extension activities.

Students will receive achievement points for this extra work which reflects the RAS ethos of going "Above and Beyond".

We appreciate all the support you will give our students in completing their homework as well as juggling your other responsibilities.

If you have any further questions, please do not hesitate to contact me by email and I will get back to you as soon as possible h.fleming@ralphallenschool.com.

Take care and best wishes,

Hannah Fleming
Assistant Headteacher
